SUGGESTED SPECIFICATIONS

EC4000-GM All-In-One Computer Workstation has one (1) 32"W x 24"D, 18-gauge steel work surface shelf and one (1) 32"W x 24"D, 18-gauge steel bottom shelf. Corners of the shelf open so the sides of the shelf do not connect. The legs of the Computer Workstation fit flush to the shelf. Each corner has a 13-gauge steel mounting bracket with ¼" square head bolts and hex nuts that hold leg securely to table. Legs are 18-gauge, 1" square tubular steel 28¼" long. Each leg has a hard plastic caster insert mounted in the bottom of the tube. Computer Workstation has one (1) 30"W x 22 3/4"D, 18-gauge steel pull-out keyboard shelf. Keyboard shelf adjusts inside the workstation to 25", 27" and 29" H. Has one (1) 18-gauge steel cord organizer bin of dimensions 30"W x 10"H x 5"D overall, 6"H for the front panel of the bin and is attached between the rear legs of the table so also serves as a modesty panel. Cord bin has four (4) 5" x ¼" slots at the top of the back panel and two (2) slots of the same dimensions, one down each side. Model # EC4000FF-GM includes a surge protected 4-outlet electrical assembly with on/off switch and 20' 3-wire cord and two (2) ³⁄₁₆" diameter machine screws with nuts for attaching unit to the table. Electrical assembly is UL listed when attached to table. Casters are mar-resistant, hard black rubber, 4" in diameter. Each caster assembly has ball bearing swivel capabilities and steel construction. Two (2) have locking brakes. Finished in Grey Mist powder paint. Microcomputer center ships knocked down (KD).
